### **The Newsletter**

#### **Banana Phone**

***You must have one!***  
November 3, 2007

Checkout the video @ <http://www.youtube.com/watch?v=8xKLnsTUOB0>  
Just peel a banana and you will find one

## Foresight Nanotech Institute

**Nano Nano**

November 2, 2007

The leading think tank and public interest institute on nanotechnology. Founded in 1986, Foresight was the first organization to educate society about the benefits and risks of nanotechnology. At that time, nanotechnology was a little-known concept.

Today, with the basic framework of public understanding in place, we are refocusing our efforts on guiding nanotechnology research, public policy and education to address the critical challenges facing humanity.

Foresight's new mission is to ensure the beneficial implementation of nanotechnology

Visit the site @ <http://www.foresight.org>

## Quake Wars Enemy Territory

**Human and Alien combat multiplayer**

November 1, 2007

Checkout video by IGN @ <http://pc.ign.com/articles/824/824554p1.html>

To work as a team and overcome a resisting force is a satisfying pursuit in any endeavor, assuming it's not too depraved an activity, at which point it could just get gross and awkward. Such a notion forms the crux of any team sport like hockey, football, or soccer.

But let's imagine, for a moment, that you introduce guns to professional sports. Now, outfit one team in futuristic body armor, call in a biomechanical alien race known as the Strogg, expand the field of play to a vast reach of terrain, and drop in tanks and attack helicopters.

More or less, this is the essence of Enemy Territory: Quake Wars, and its ability to keep that team versus team competitive spirit intact is why it succeeds.

Personally I'm not a fancy about this game, but if you are online game fan its an excellence game! But please try the demo before you buy.

Visit their official website @ <http://www.enemyterritory.com>

## Do What You Love

**Thats the way to go**

October 31, 2007

But don't go beyond your limits.

## Shelfari

**Its a book safari not a zoo**

October 31, 2007

Shelfari makes it easy to see what your friends are reading, what others with similar tastes have enjoyed, and even get and give book recommendations.

You can easily connect with new and old friends to talk about the books you are passionate about. Join a group devoted to your favorite author or bring your book club online.

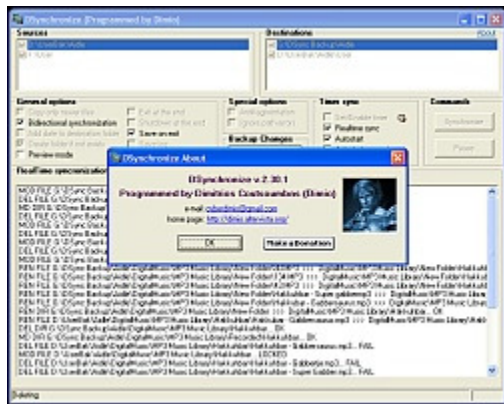

It also empowers you to show off the books you are passionate about. Build your shelf in Shelfari and then embed your shelf in your blog, website, or social networking site of choice.

Join @ <http://www.shelfari.com>

## DSynchronize

**Software raid, save time and money**

October 29, 2007

A only free stand-alone utility that let you periodically or real time synchronize two or more folders on Hard Disk, Floppy Disk, LAN, USB Key, CD-DVD (with packet writing software) and FTP server.

Download @ <http://dimio.altervista.org>

---

## Praying Mantis Vs Mouse

**Don't play play with small insect**

October 28, 2007

Checkout the video @ <http://www.youtube.com/watch?v=pNcIUULafw>

Size does not matter
